In re: S.N. 10/809,310

Dear Sir:

Enclosed please find a Request for Withdrawal as Attorney in S.N. 10/809,310. There is currently an outstanding requirement to file missing parts, including a Declaration of the Inventor and formal drawings. The assignee of record, BJI ENERGY SOLUTIONS, LLC, has advised us that they will no longer be utilizing our services and instructed us to ship their files to their offices. A copy of their letter is enclosed, together with a completed Form PTO/SB/83.

We have been informed that the inventor declined to sign a declaration. It is, therefore, incumbent upon the assignee to address the matter of filing a petition under Rule 1.47. We have previously provided the assignee with a copy of the Office Action, our letter to the inventor and its enclosed Declaration and the inventor's response, refusing to sign.

The due date for responding to outstanding requirement is August 9, 2004 and we have so advised the assignee. Under the circumstances, we respectfully request to be relieved promptly of further responsibility in this matter.

Respectfully submitted,

MARVIN H. KLEINBERG
